“Unfinished;” at LFO:

Semicolon; [n]: *Used when an author could have ended their sentence but chose not to.* The purpose of "Unfinished;" is for students to think about positive future events in their lives and spread positivity throughout their sphere of influence. The semicolon at the end of "Unfinished;" represents a symbol of hope and emphasizes that there is more to come. During “Unfinished;”, let’s encourage each other and remember guidance is available if you need to talk with someone. Our story isn’t over, there are amazing things just around the corner!

### LFO SENIORS

This is YOUR year! It's time to celebrate your senior year and start getting ready for Graduation! Use the link below to order your LFO Graduation Items. Due to the uncertainty and delays caused by COVID, please place your order by **Friday, November 20th.** <https://www.secampussupply.com/lfo/>

**Great news!** There has been a change regarding final exams and exemptions this school year. Initially, there were NO exemptions since exemptions were based on attendance and we didn't want to encourage students to come to school while they were sick. However, **we will now allow final exam exemptions for students who have an A (90-100), B (80-89), or C (74-79) in the course.**

#### Final Exam Schedule:

1st and 2nd block finals will be Thursday, December 17th during normal class times.

3rd and 4th block finals will be Friday, December 18th in the morning.

Students will be allowed to sign out after their finals if they have their signed exit ticket. Buses will run at normal times.

**Thanksgiving Break:** November 23rd through the 27th. See you back on the 30th!
