

Denia Reese, Superintendent

Every child, every day, without exception!

Dear Parent or Guardian:

Catoosa County Public Schools is taking proactive measures to prepare for Digital Learning Days in the event of an extended closure due to the Coronavirus. In order to minimize interruption in instruction, the system is sending digital devices home with K-8 students who typically only use their devices at school. Please follow the instructions provided for charging devices at home and returning to school each day with students. These instructions may also be found on the district website (www.catoosa.k12.ga.us).

If Digital Learning Days become necessary, EACH SCHOOL will have links on their website to assignments. We appreciate your cooperation and support.

Student iPad Acceptable User Guidelines

I have read the guidelines of use and care of the iPad. I accept responsibility for abiding by the guidelines and direction of my child's teacher(s). Any damage or needed repair must be immediately reported to a teacher or reported to the media center either in person or through email. I agree that the iPad will be used for educational purposes only.
