

Battlefield Elementary School

Welcome to Battlefield Elementary where our mission is working together to promote high levels of learning for all students. I hope you are able to find important information that you need on our website.

I want to introduce myself to you. My name is Dr. Kent McCrary and I'm a product of Catoosa County Schools. I attended Cloud Springs Elementary, Lakeview Jr. High, and Lakeview Fort-Oglethorpe High School. Catoosa County Schools prepared me for my future and I work hard everyday trying to do the same for the students of Battlefield Elementary.

I will be starting my twenty-fifth year in education. I started my career teaching seventh grade math at Ringgold Middle School. I then moved to Lakeview Middle and taught seventh and eighth grade math for nine years. I will be starting my eleventh year at Battlefield, six as assistant principal and five as principal. I love being a part of this awesome school and look forward to the great things ahead of us.

My wife Carla is a teacher at Ringgold Elementary. My son Cole is a junior at Dalton State and my daughter Kailey is a junior at Heritage High School and is a member of the Legion of Generals Color Guard.

Dr. Smith and I work hard to give every student the needed skills to be successful adults. We truly believe in "Every Child, Every Day, Without Exception."

Building Exceptional Students
